

DAYCO AFTERMARKET TECHNICAL INFORMATION

Subject: **KTB788 replaces KTB949**
 KTBWP7880 replaces KTBWP9490

N° : SI0031EN

Following the OE manufacturer's choices, Dayco has proceeded with the following change:

KTB949

Make	OE
VOLKSWAGEN	03L198119B

is replaced by **KTB788**

Make	OE
VOLKSWAGEN	03L198119D

Consequently, **KTBWP9490** also is replaced by **KTBWP7880**.

Kits KTB949 and KTBWP9490, still available from our distributors, can be used for the applications specified in the catalogue and until stocks last. Their complete list is available free of charge on our website www.daycocatalogue.com
