DAYCO AFTERMARKET

SERVICE INFORMATION

Date: 10/01/2021
No.: SI0066EN
Subject: POLY V 7PK1705DT replaces 7PK1705

Following the technological evolution made by the Renault-Nissan manufacturer, Dayco replaces the 7PK1705 code in its range with 7PK1705DT, belt with fabric on the back, for Renault Nissan 2.0 dCi engine M9R code applications.

REPLACED OE	REPLACED DAYCO	CURRENT DAYCO	DAYCO CODE
119200054R	7PK1705	119202462R	7PK1705DT
11720JG70B	7PK1705		
8200356445	7PK1705		

As a results, the KITs containing the belt are replaced as well

OLD KIT WITH 7PK1705	MAKER	NEW KIT WITH 7PK1705DT
KPV220	RENAULT/NISSAN	KPV1143
KPV246	RENAULT/NISSAN	KPV1144

7PK1705 and respective KPV kits are still available from our distributors and can be used for the applications indicated in the catalogue until stocks run out. Their complete list can be read free of charge on our website www.daycocatalogue.com
